RE: 23cv 437 Rambert v. Silvercup Scaffolding I LLC  
Fourth Request for Extension of Cheeks motion d

Dear Judge Parker:

As the Court is aware, I represent Plaintiff Carlton Rambert in the above referenced matter where Plaintiff has made both wage and hour and discrimination allegations. The parties' *Cheeks* motion is due on December 8, 2023. *Cheeks v. Freeport Pancake House, Inc.*, 796 F.3d 199 (2d Cir. 2015) I write with Defendants' consent to respectfully request an additional extension of time to submit the wage and hour settlement agreement for the Court's review. The Defendants require additional time to complete a lien search.

While the parties are hopeful that the lien search will be completed and receive the results within a reasonable time, the government agency's time frame is uncertain. Instead of requesting any further extensions to an interim deadline and in the interest of judicial economy and efficiency, the parties request an extension to submit their *Cheeks* motion within five (5) business days of Defendants' receipt of the requested lien search information. This is the parties' fourth request for an extension of the *Cheeks* motion deadline. Thank you.

Respectfully submitted,

/s/ Susan Ghim
